

Job title

Community Care Worker

Company name and postcode

Complete Care west Yorkshire Ltd

Job summary

(Outline of the job description including key responsibilities and detail of the skills the young person will develop and details of homeworking. Please provide as much detail as possible Please do not use bullet points)

The primary focus of your role is to ensure the provision of quality support to clients which exceed the Care Quality Commission expectations and standards and working within the policies as set by Complete Care West Yorkshire Ltd. You will be providing personal care and support to vulnerable adults, assisting with bathing, dressing, meal preparation, continence care, providing support with catheters, continence pads and toileting. You will also provide domestic support; ensuring that daily household tasks are completed to a standard required by our clients. All the skills needed to carry out this role will be taught by our in-house trainers. You will be mentored throughout your time with us to enable you to provide care confidently and competently. The home care role is working out in the community so ideally you will be a car driver.

Essential skills, experience and qualifications (please do not use bullet points)

It is essential that you have a passion for making a positive difference and that you

genuinely care about the people.
