CAN MY BUSINESS REMAIN OPEN OR DOES IT HAVE TO CLOSE ITS DOORS?

The **list of businesses** and **venues that must remain closed** are listed on the **government website**.

In **England**, **Environmental Health and Trading Standards officers** will **monitor compliance with** these **regulations** and **help businesses** who **wish to open in a different way** to which they normally would, for example food businesses wishing to create a delivery service. If you would like to talk about how this applies to your business please contact us by email [**Food@wakefield.gov.uk**](mailto:Food@wakefield.gov.uk) (including for non-food business queries) or on 0345 8 506 506 and ask to speak with someone from Environmental Health.
